everyone's contributions made this our most successful gala ever.

Editor's Note

A NEW SEASON is always filled with promise and won't disappoint. But this year we've a special opportunity to reflect on the contributions of one of our most prolific artists, whose forty-year career has inspired old and new listeners. In place of a mere commemorative offer, we offer a new work specially commissioned for the occasion of our 150th anniversary.

With so many of our participants enjoying an unprecedented exposure to the arts through our digital channels, this year will be the most exciting in the history of the art. This new work, which begins a journey as well as the unexplored resource

GRM3300

High Performance Print-on-Demand

The GRM3300 is designed to let you focus on what matters most: your content. It's a high performance print system designed for large publishers. Boost productivity with a range of built-in features, including automatic duplexing at speeds of up to 4,400 pages per minute, and intuitive controls at every point, using industry-standard protocols. With remote management options for all workflows, you can manage your entire fleet from a single interface. Double up on output with the GRM3300 T-system.

The furniture for modern living, without costing a fortune. The *Timișoara* collection is designed for ease of use and immediate delivery.

TIMIȘOARA COLLECTION ANTON TĂRICEANU, 1956

Built on a philosophy of respect for the natural materials, the *Timișoara* furniture collection by Anton Tăriceanu is a testament to the influence of European minimalism. Its visual language is clean and modern, with a visual appeal that is more than most furniture: with eight inch platform legs, offering a comfortable position for sitting or standing. The collection is available in ash or maple, and the open weave allows the

LETTERING

The background is a dark, textured surface. Overlaid on this are several semi-transparent squares arranged in a grid-like pattern. Within these squares, there is faint, cursive script that appears to be a mix of letters and symbols, possibly including 'e', 'v', 'w', and 'a'. The overall effect is layered and artistic.
